News

Karsten Heeger chosen as co-Chair of APS DPF Coordinating Panel for Advanced Detectors

Karsten Heeger, Wright Lab Director and Chair of the Physics Department, has been chosen as the next co-Chair of the Coordinating Panel for

Advanced Detectors (CPAD) of the Division of Particles and Fields (DPF) of the American Physical Society (APS), along with Petra Merkel from Fermilab. Heeger and Merkel succeed Ian Shipsey from Oxford and Marcel Demarteau from Oak Ridge National Laboratory, who have led CPAD since its inception in 2012.

Community

Climate and Diversity Committee

We are finalizing our application to the APS's Inclusion, Diversity and Equity Alliance (APS-IDEA) new initiative. By establishing a community APS-IDEA hopes to support and empower groups working to identify and enact strategies for improving equity, diversity, and inclusion. More details about the APS-IDEA initiative can be found here:

https://www.aps.org/programs/innovation/fund/idea.cfm?utm_source=may-reminder-email&utm_medium=email&utm_campaign=aps-idea2020

If you would like to help with the application and /or be named as a team member please contact Helen and/or Karsten.

If interested in joining the CDC, please contact Helen Caines, Chair of CDC. You may contact the whole committee at physics-cdc@mailman.yale.edu
