Yale Class of 2022 dinner

On May 17, 2022 the department chair, Karsten Heeger, hosted the Yale College graduating class of 2022 to dinner along with representative faculty and staff. It was a beautiful evening, so dinner was taken outside to eat under a lovely tree where all enjoyed the smell of lilacs on the evening breeze. There were about ten students and a handful of faculty and staff, including one spouse. It was a nice treat to celebrate the end of four years of work and to wish the students luck going forward with their future plans.
Hats off to our Graduates!
