Climate and Diversity Committee News

Yale’s affinity groups invite you to join them for a 30-day wellness challenge and fundraiser to help end child trafficking and exploitation. Tread on Trafficking is a fundraising and awareness challenge where treaders ask sponsors to support them for running, swimming, biking, or working out – with all the money raised going directly to Love146, a human rights organization working to end child trafficking. Challenge yourself, connect to others, help protect children. Join Yale’s affinity group team and/or make a donation today! To learn more, register here for an information session on June 30.

If interested in joining the CDC, please contact Rona Ramos, Chair of CDC. You may contact the whole committee at physics-cdc@mailman.yale.edu
