

History and Foundations of Physics

MEETING 5.2 NOV 20, 2024

Are scientists special? A conversation on moral virtues and public authority

- How has the view of scientists as moral authorities evolved over time?
- Are scientists morally neutral contributors of knowledge, or do they have a responsibility to consider the misuses of their work?
- How important is public trust in science and how should scientists respond to skepticism?

Time: 5:30pm

Location: Kline Tower (KT), Room 501

Dinner and refreshments will be served
